Academic Exchange Agreement between Institute of Natural Medicine Toyama Medical and Pharmaceutical University, Toyama, Japan and Faculty of Pharmacy, Cairo University, Cairo, Egypt

Institute of Natural Medicine, Toyama Medical and Pharmaceutical University, herein represented by its Director, Prof. Dr. Masao Hattori, and Faculty of Pharmacy, Cairo University, herein represented by its Dean, Prof. Dr. Mohamed S. Ahmed, with the purpose of establishing a mutual cooperation to facilitate the development of joint scientific program and research activities between the two institutions, hereby agreed that each party will explore the possibility of establishing the following activities:

- 1- Institutional exchange by inviting scholars and designated participants for programs and lecture series.
- 2- Exchange of graduate students for study programs and/or short training courses.
- 3- Research collaboration and information exchange pertaining to the pharmaceutical sciences in areas of mutual interest.
- 4- Exchange of academic materials, which are made available by both parties.
- 5- Organization of symposia, conferences and meetings on relevant issues.
- 6- Other activities mutually agreed upon by both parties.

This agreement shall have an effective term of five years upon the date of signing by the representative of the two institutions. This agreement may be renewed, amended, or terminated at any time by mutual consent, or by giving 6 months written notice to the either party prior to the desired termination date.
